

## Dover Cemetery Veterans Listing

Welcome to Dover Cemetery. With this list we have endeavored to locate the veterans buried here. We have also worked hard at listing the war and unit in which they served. A map showing the location of the tombstone is also in this packet. Most of this information is a compilation of our records and information from [www.ancestry.com](http://www.ancestry.com). Most of the work done on this packet has been done by Adam Rice in connection with his 4-H Genealogy project. He was assisted by Doug Rice, Ed Rice, and Russell Swisher. Every tombstone in the cemetery has also been entered at [www.findagrave.com](http://www.findagrave.com). Please feel free to leave us information if there are any additions that you would like to make to our list. For more information about the cemetery or about making a donation, please call Ed Rice at 765-436-7260.
